# PREFACE.

ANY reader having the time to glance, even hastily, through this book, will find it well worth while, and, we believe, before half done, you will decide to preserve it as your favorite calendar for the year 1897.

The search-light shining out from the second page will reveal in yourself the presence or absence of any symptoms of Kidney Disease, and if unhappily present, console yourself that more than a hundred thousand in Canada alone, have thus suffered, and have been saved by Dodd's Kidney Pills.

So long as it remains true that "knowledge is power," the query put by us on the third page may reasonably be put to every one—**"Do you know?"** And for the reasons set forth on the page next following, "The World" will be "Satisfied" with Dodd's Kidney Pills until the millenium puts an end to the physical sins and accidents which now so frequently render Kidney Treatment necessary.

On page five, herein used for the first time, will be found a unique adaptation of the ordinary calendar to the pages of a book. *(All rights reserved.)*

Alternating with the calenders will be found page after page of Kidney Talk. These brief sketches have great value altogether apart from testimony appended to them, from persons cured of the deadly diseases treated and cured; such as:—Bright's Disease, Diabetes, Female Troubles, Paralysis, Heart Disease, Dropsy, Asthma, Rheumatism, Bladder Troubles, Gravel, and Impure Blood.

And Lastly;—If honest testimony has been doubted, and if you are still unconvinced, do not neglect to read the thirty-second page and ever afterwards regard, and speak of Dodd's Kidney Pills according to your unprejudiced convictions.

# A CARD....

# ....TO THE PUBLIC

DURING LESS THAN A DOZEN YEARS, since Dodd's Kidney Pills have been sold and used in Canada, many thousand testimonials of cure have come to us unasked. Written, as they evidently were, as thank-offerings, and "for the benefit of other sufferers," these letters have been esteemed by us as the most valued treasures of our manifold success. Of this cloud of witnesses, however, upwards of two thousand only have been published, and it is of these, especially, that we desire to say :—

FIRST ;—That no testimonial has ever been published by us, without either the expressed or implied permission of the writer ;—That of the remarkable cures—the cures past ordinary belief,—not one has ever been printed without first being carefully verified by personal investigation.

SECOND ;—That to safe-guard our own as well as public interests against professional writers of bogus testimony, we hereby warn any and all such writers, that we shall prosecute for damages whenever any such attempt shall come to our notice.

THIRD ;—That this is not by any means intended to prevent any person cured, by Dodd's Kidney Pills, from truthfully saying so in their own way. On the contrary, we desire, always, to encourage free expression of unprejudiced opinion, and as ever before we shall welcome honest testimony.

AND FURTHERMORE ;—We again desire to ask :—"Does any one, anywhere, know of any case of Kidney Disease, disorder or ailment, wherein Dodd's Kidney Pills were used and failed to cure ? Over and over again we have asked this question but thus far without a single reply. And we therefore believe and say that Dodd's Kidney Pills will cure any Kidney Disease."
